Tina Howard - Working with you and for you

Tina Howard has lived in Hemel Hempstead for over 32 years and is proud to live in a forward-thinking town with a very low unemployment rate. Hemel Hempstead is a lovely place in which to live, work and play. She wants to work with local people on the important issues including the need for a new hospital in West Hertfordshire, parking issues, state of some of the roads and other local concerns.

Tina's husband died some years ago, so she has the time, enthusiasm and energy to take on the role of County Councillor. She has grown up twins, Justine and Jason and two grand-daughters, Alice and Grace.

Tina feels privileged to have been selected to stand for the Hemel Hempstead South East Division covering Corner Hall, Bennetts End, Nash Mills and parts of Apsley and Leverstock Green. A Borough councillor for the Apsley and Corner Hall Ward, Tina will work closely with you; our Borough Councillors and local MP Mike Penning to get the best for our area.

She has spent 45 years in the educational field, where she retired as a Headteacher. She then became involved in charity work with community activities and is a Director of local charity Community Action Dacorum. She is also a trustee of The Centre in the Park, working with elderly people. Her wide experience in Education is being passed onto the local community through her work as a governor of two Primary Schools.

Tina believes that local shops in the division should be supported and encouraged to thrive, as they are a very valuable resource in the area, and will encourage better community working and cohesion within the ward.

CARING FOR YOU AND CARING FOR YOUR MONEY

■ The Conservative-run council at County Hall has continued to cut the amount it spends while still delivering top quality services including social care, highways, fire and libraries. Despite inflation, our growing numbers of elderly residents and a huge increase in school-age children, the County Council is spending less in cash terms now that it did four years ago.

This has been achieved through a relentless drive for efficiencies, achieving higher productivity from our staff and better value from our contractors .

We have refocussed our services to catch problems even earlier, which is better for those affected. And it costs taxpayers less if we can prevent problems rather than having to sort things out afterwards.

Although we have cut our spending, the council tax has had to go up because our other sources of income have gone down. 1% on the council tax costs the average household just 23p a week – but Conservatives will always keep the tax as low as we can, spending your money carefully.

Action for HERTFORDSHIRE

STREET LIGHTS FIT FOR THE 21st CENTURY

We will complete our project to renew all street lights with modern LED lamps. They are much more reliable and use less electricity, giving on-going savings which will repay the capital cost.

A LOCAL SCHOOL PLACE FOR EVERY CHILD

Hertfordshire's growing population means that we need many more school places. Conservatives guarantee a local place for every child by expanding existing schools or building new ones.

HELPING ELDERLY PEOPLE STAY INDEPENDENT

Older people generally want to stay in their own home for as long as they can. By extending our use of new technologies coupled with high quality care services we will enable even more to do so in safety.

6 good reasons to Vote Conservative...

1 LIBRARIES AT THE HEART OF THEIR COMMUNITIES

We want local libraries to be at the heart of their communities, supported by volunteers and helping children to enjoy reading; so we've not shut any libraries in Hertfordshire

2 THE RIGHT SKILLS FOR THE ECONOMY

Hertfordshire has a strong economy but can play an even bigger role in UK plc. We will work with the Local Enterprise Partnership & Colleges to get the right skills for success.

3 A GREAT START AT YOUR CHILDREN'S CENTRE

Conservatives value the part children's centres play for young families. Unlike some Councils, we have kept all our Centres open and will protect their services.

4 REDUCE, REUSE AND RECYCLE

With local District Councils, we have increased recycling to more than 50% compared with 44% nationally - and continue to reduce waste going to landfill.

5 HELPING YOU TO GET ABOUT

We will soon see improvements to the A602 and A120, will continue to lobby government to widen the A1(M) and press for a better deal for rail users.

6 BEST COUNCIL OVER THE LAST 20 YEARS

Hertfordshire was the only County Council in the final of a recent competition to find the council with top performance and innovation over the last 20 years.
