

# Mike PENNING

Standing up for you in the  
**HEMEL HEMPSTEAD CONSTITUENCY**

 **Vote Conservative**

## LOCAL PEOPLE ARE BACKING MIKE PENNING

It has been a great privilege to serve you in Parliament for the past 12 years. Now I am asking you to give me your vote on 8th June so that I can make sure Theresa May has the full support of Parliament as she negotiates Britain's withdrawal from the EU.

This election is, rightly, dominated by Brexit and the forthcoming negotiations with our EU counterparts. Theresa May has already proved herself to be a strong Prime Minister and I firmly believe she is the best person to lead us through this critical period in our country's history.

Hemel Hempstead and the surrounding villages are thriving as we make the best of the strong national economy. New businesses are coming to the area creating more opportunities for jobs, training and apprenticeships.

**A STRONG LOCAL ECONOMY**

I continue to fight for existing services to remain at Hemel Hempstead. I am also campaigning with Anne Main of St Albans for a new hospital to serve all of west Hertfordshire to be built on a new site with plenty of room for expansion and plenty of parking. **Never forget it was Labour who closed OUR acute hospital.**

**FIGHTING FOR A NEW HOSPITAL**

Longdean and Kings Langley Schools have been completely rebuilt and others have had major works. A bright, welcoming learning environment will ensure our children are fully equipped to succeed in the modern world. The new Hemel Hempstead Campus of West Herts College is opening very soon.

**EDUCATION**
