

News from your Leverstock Green Conservatives

Autumn 2018

# MP Coffee Morning

Sir Mike Penning MP and your local Dacorum and Hertfordshire Councillors are holding a coffee morning at **Leverstock Green Village Hall** between 10 and 12 on Saturday 10th November. This is an open session for local residents to pop in and meet their local representatives.

If there is something you would like to discuss or just drop in for a coffee then please come along.

## Car Park Extension

After many months of work planning permission was recently granted for the extension of the car park adjacent to the village hall with work scheduled for completion in November. This will provide much needed additional parking for the village centre and once completed will enable some of the spaces outside the shops to be designated for short stay parking which will enable customers visiting the shops to find a convenient space. Cllr Hazel Bassadone who visit the shops regularly said “parking has been a regular problem at the Village Centre and these additional spaces will help support the local centre as customers will find it more convenient to shop there”

**Litter Campaign** On Sat 22nd Sept Cllr Margaret Griffiths and Cllr Hazel Bassadone supported by local residents collected a quantity of litter around the village. Whilst future litter picking will be organised, you don't have to wait as Dacorum has a scheme called "Street Champions" providing litter picking equipment and bags to anyone who wants to keep their street clean and tidy. Ask your local councillors.

## NEW COUNCIL HOUSING

Just outside Leverstock Green a new council development in Maylands Avenue is currently under construction. The scheme, named Kylna Court will provide 79 new one and two bedroomed flats for rent to local residents on the housing register, in line with the council's policy they will all be let at social rents ensuring they are affordable.

Cllr Margaret Griffiths said

"I am delighted that through careful management of our housing finances we are able to deliver new high quality housing for those in need"

## West Herts Valley Hospital

Our MP, Sir Mike Penning and Anne Main MP for St. Albans have joined forces to support a new world class hospital to serve West Hertfordshire residents located on flat ground close to the motorway network.

Mike Penning argued to local NHS chiefs that Dacorum is the biggest area in West Herts and has the largest population, and that residents of Dacorum & St. Albans travel further to A&E than other patients in 43 of 46 districts in the home counties!

With large-scale housing development planned for Dacorum and St. Albans, pressure for hospital services will increase beyond the capabilities currently provided locally. If you would like to find out more, speak to your councillors or contact [info@dhag.org.uk](mailto:info@dhag.org.uk)
