Important Elections in 2020/2021

Police and Crime Commissioner David Lloyd

<https://www.hertscommissioner.org/>

Election Date Thursday 7th May 2020

Residents in Hertfordshire are to pay an average of £10-a-year extra to support plans for the county's largest ever police force.

Police and Crime Commissioner David Lloyd's proposal to increase the Council Tax police precept as part of the boost were unanimously agreed last week.

Mr Lloyd's decision follows a public consultation in which 65 percent of residents said they wanted to pay more to support extra policing in the county.

Hertfordshire is on course to have 2,100 officers by the end of the forthcoming financial year, the highest level in a decade.

Numbers are then set to increase to 2,314 officers, the highest number ever, by the end of March 2023.

Please put the 7th May 2020 in your diary today & vote for David Lloyd.
