

HERTFORDSHIRE COUNTY COUNCILLOR ELECTION CALLED ON THURSDAY 6TH MAY!

Welcome Sanjay!

I am a local resident who has lived in this area for almost 10 years. My wife, Babita Sinha (who is a Dacorum Borough Councillor and a Practice manager in the NHS) and I love living in Apsley. We feel fortunate to be part of this wonderful community with its beautiful countryside. Enjoying long walks in Bunkers Park and along the canal during this pandemic has been a particular pleasure.

Politically, I am a one nation Conservative, with a firm belief in the core values of hard work, financial discipline, enterprise, and trade. I believe that we have a great future ahead, together, building bridges with the rest of the world, while retaining old ties and making new friends. I see the role of Government as a facilitator and enabler for business. I believe passionately that more needs to be done at the local government level to support young people's education, to encourage them to embody an entrepreneurial spirit and to foster opportunities to generate wealth and employment for all.

As a top Manager for a multinational railway and public transport company, I have seen how innovative transport solutions can change towns and cities for the better across the world. Our sole reliance on cars is not sustainable, already roads like Red Lion Lane are almost impassable; parking has become the top problem in many places including the Apsley development. This is my main motivation for standing in the County Council election on Thursday 6th May - to use my expertise in transportation to improve the quality of all our lives.

Mark Rogers and Sobaan Mahmood.

Sanjay says ...

If elected, I will champion Conservative values and respect and represent ALL of my residents regardless of politics. I have already begun working with our fantastic Conservative Borough Councillors in the division and whilst out and about have been delighted to meet many local residents (socially distanced of course) including first time voter Will.

I was excited to hear from Mark and Sobaan (pictured left) that Bennetts End is receiving £163,000 over the next 18 months for retail investment in the Bennetts Gate shopping parade, a welcome and positive investment in local retail infrastructure for residents.

Just one of the many achievements of your local Conservatives!
